Craving Cream-Pies

Dear Virgin Territory,

The Holiday '10 issue may be the hottest ever! All of the *18eighteen*-agers are fuckin' awesome! Jessie has the hottest body, but Colby's layout is the hottest. I lost my load when I saw the cum dripping out of her sweet, little snatch. Now if you can get an anal-loving teen to take a load and let it drip out if her cute, little pooter I can die a very happy man!–J.R., Nashville, Tennessee

Dear J.R.,

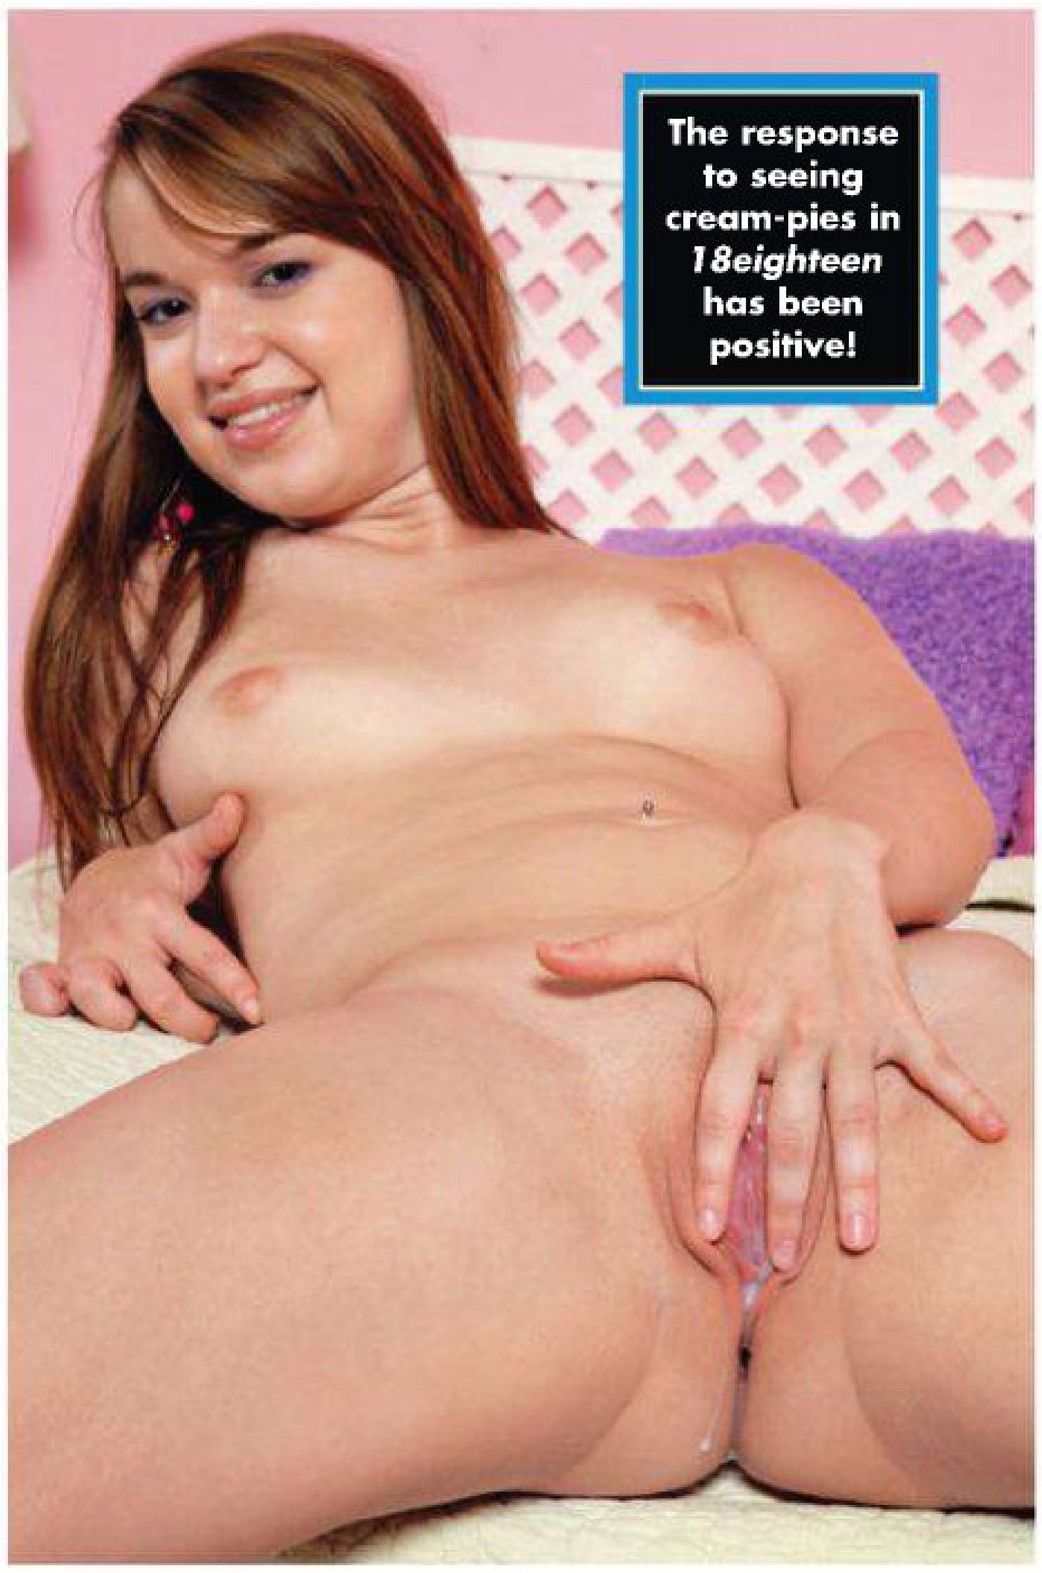

Finding an anal-loving teen who likes guys to cum in her ass is not the easiest task, but we're definitely up for the challenge. In the meantime, we hope you enjoyed Ali's cream-pie in the Feb. '11 issue!

Dear Virgin Territory,

Thank you for finally publishing a hardcore pictorial with a cream-pie. Please continue to show cream-pies, and the next time you run photos of it, try to get some big, close-up shots of lots of cum oozing out of a teen girl's tight twat. I also enjoy photos where I can actually see the guy ejaculating on the girl. I like to see strands of cum erupting from his cock and landing on a smiling teen face. These action shots are extremely hot. But back to cream-pies. Nothing feels better than cumming inside of a girl, and nothing looks hotter than seeing it drip out of her pussy. I can't wait to see more.–Y.P., via email

Dear Y.P.,

We've had positive responses for the cream-pies we've featured, so you can expect to see more of them. For now, enjoy the bonus photo we included!

The response to seeing cream-pies in *18eighteen* has been positive!

Hairy Beavers

Dear Virgin Territory,

I agree with R.M.'s letter in the Sept. '10 issue that it is a rare occasion to see a bushy pussy between the thighs of ladies. I also love hair South of the border surrounding a pink slit, but it has become unfashionable for a girl to have hair around her pussy.

With skimpier thong bikinis and short shorts it's the norm to shave the beaver bald as the day they were born. Also, many men prefer a slick, shaven slit. A bushy pussy is something you think that a mother or grandma would be sporting, not hot, young ladies. But even now MILFs and GILFs are shaving their slits slick and clean to get young cocks to slide inside their bald beavers.

It's still refreshing to see a young lady bucking the trend and sporting a bush around the slit once in a while. It is also a trend for girls to have a little bit of pubic hair or a landing strip above the gash, like the lovely Lola with her half bush above her pink, puffy pussy lips. Still, I love a full bush. Just like the pictured bushy pussy on page 7 of the Sept. '10 issue. It's a rare treat but so sweet.–B.C., Old Bridge, New Jersey

Dear B.C.,

We're not holding out on bushy babes. When we get them, we run their photos as soon as possible because we know there are lots of guys like you out there. Guys who want to see pubes galore. And so the search continues for us.

Little Lena

Dear Virgin Territory,

I really enjoyed Lena's scene in *Flat & Fucked 4*. She is not the flattest girl, but I think she is really cute. I also like small girls like her, and I liked the way that guy was able to bounce her up and down with such ease. I enjoyed her large pussy lips very much, and I came many times watching her tight, little butt bounce as she rode that guy. *18eighteen* always has the best hardcore videos. Lena is great. All your girls are great! They should all do hardcore videos!–J.L., via email

Dear J.L.,

We wish all our models did hardcore! Then again, there are readers who prefer not to see the models fuck. But personally, we like it when they do! Keep your eyes peeled for the hardcore photos of Lena fucking. We'll be running them in an upcoming issue.

R.W. wants to see a black girl with a thermometer in her butt.

Temperature Rising

Dear Virgin Territory,

Like R.M. who wrote recently to request a rectal thermometer scene, I too am a tremendous fan of this fetish. Specifically I would like to see a young, black girl like Nubia from the March '08 issue in a medical scene. She should be lying on her stomach on an examining table with her skirt and white panties pulled down with a rectal thermometer sticking out of her butt.–R.W., New York, New York

Dear R.W.,

If we find a young black girl who is willing to put a thermometer in her butt, we will shoot this for you.

This was Casada when she was brand new to modeling.

Revisiting Casada

Dear Virgin Territory,

Casada has always been one of my favorite *18eighteen* models. I think she'd be really great in a threesome with Emy! I was surprised to see her in the Jan. '11 issue. It has been quite some time since she was in your magazine and I figured she had dropped out of the porn world. This does look like an older photo set that was taken when you originally shot her a few years ago, but the photos were still new to me. And I always welcome photos of cute, young girls. If possible, you should track her down and do a new photo shoot with her. I would love to see how she looks now.–N.G., Garfield, New Jersey

Dear N.G.,

We totally agree that she is adorable. But we don't have any more photos of Casada. A quick Internet search led us to new photos of her under a new name, and she's looking great, but a bit too glammed up for 18eighteen. *We'll just have to savor the photos we do have of her!*

Longing for Long Hair

Dear Virgin Territory,

I buy your magazines all the time. I

buy *18eighteen*, *Naughty Neighbors*, *Newcummers*, *40something* and on up. I really enjoy your magazines and especially the DVD movies that come with the magazines. They're both superb, awesome and definitely excellent. Cougar magazines are awesome, too. I'll keep on buying your magazines and hopefully I'll receive a DVD in one of your magazines with Joclyn or Katia or Georgette Parks. Those three ladies just turn me on. They're all sexy ladies with gorgeous super soft, super silky hair that always looks stunning.

18eighteen, I'm just a guy who loves long or short hair that looks really nice on any lady. I love long, long hair

Long, shiny, soft hair on a girl turns F.C. on more than you'd expect.

on a lady that's silky, soft and shiny, and comes down to her waist or ass. And I love short hair on a lady that is soft and shiny and cut in a bob style.

I would like to see a video of girls with long, long hair doing sex scenes with guys. Shower scenes definitely turn me on. I would like them to shampoo their hair in the shower or have their partner shampoo their hair for them. Then when they get out of the shower they blow-dry their hair, brush their hair, then put it in a pony-tail or a French braid. When they're having sex or going down on their partner, the guy can take her hair down and let it loose and free. That would definitely turn me on without a shadow of a doubt.

The ladies I would like to see more of in videos are: Nina, Alexis Love, Mandy Hudson, Amai and blonde Holly from Jan. '09. If you do this, I would cherish the video with all my heart.–F.C., Ashland, Maine

Dear F.C.,

We have many girls with silky, soft, shiny hair, but to be honest we can't think of any videos where someone else is brushing or washing their hair. We'll keep your request in mind though. And for now, we've included a photo of Mandy fucking with her luscious red locks flowing free.

Hot Ladies

Dear Virgin Territory,

My letter is concerning the two super hot young ladies in the Aug. '10 issue. Lovely Lindsey from Louisiana and Fey from Florida both would be a joy to eat.

Lindsey says she likes to suck cock. How about letting your readers see those beautiful lips in action, and a mouthful of man-milk.

Fey says she wants to do a three-some. Let us see this beautiful girl with a hard cock in her beautiful pussy and one in her pretty mouth. I enjoy your mag a lot. It's the best out there. Please keep doing a great job, guys. –J.R., Ladson, South Carolina

Sasha isn't shy about showing off her braces or her suck 'n' fuck skills.

Dear J.R.,

Sadly we don't have either of those lovely ladies doing hard-core in this issue will appeal to your fancy.

Fey's unique look won over reader J.R. He wants to see her in XXX!

Braces Rule!

Dear Virgin Territory,

Great job with the Holiday '10 issue. It's super hot! You can never go wrong with braces on the cover. I love Sasha's metal mouth! Please feature more girls with braces if you can. And if it's possible, get close-up shots of them smiling so we can see their shiny braces. That was always my one complaint about Amai. She was so cute, but she hardly ever smiled so that we could see her metal works! Sasha looks like she doesn't have that problem though. It was a nice touch putting her in a schoolgirl uniform, too. I loved the centerfold as well. Cheers to horny Asians with metal mouths! Love 'em!–K.S., Wichita, Kansas

Dear K.S.,

You're right, Sasha is very outgoing and loves smiling and showing off her braces. In fact, she even gets her braces covered in lots of cum in the movie Flat & Fucked 4. *It's highly recommended watching!*

Jessie has the figure and good looks to be a mainstream model.

Jonesing for Jessie

Dear Virgin Territory,

Jessie from Jan. '11 has a rockin' body. Awesome pussy, too. If you ask me, she should have been the girl on the cover. But I understand that a girl with braces probably has more (although I'm not sure how much more) appeal than a hot blonde for your niche. Jessie is a real knockout, though. She looks like she was born to live in a bikini with that sexy body of hers. I love her long, blonde hair, dimples, green eyes, tight tummy and long legs. Her pussy is my favorite kind, too. Hairless and an innie. Her sweet, little slit looks pretty tight from what I can tell. Any guy who gets to stick his cock in there is one lucky fucker. And speaking of which, I hope to see this cutie with a cock in her mouth and in her gorgeous pussy sometime soon. I've seen the goods, now I want to see her put them to use!–H.M., Las Vegas, Nevada

Dear H.M.,

Jessie does fuck for us! Check out her hardcore scene in Flat & Fucked 4. *You can order it on page 9.*

Undercover Nympho

Dear Virgin Territory,

Katie from the Nov. '10 issue is pretty much the cutest thing ever. She looks so sweet and innocent it's almost surprising to see her posing nude! If you saw her in public somewhere, you'd probably guess that she wasn't that kind of girl. It just goes to show you that you never can tell! Katie has a great smile and cute, little boobs. I would have liked to have seen more spread shots of her vagina. But you still did a great job showcasing this sweetheart. Please, more girl-next-door types like Katie!–B.J., Portland, Oregon

Dear B.J.,

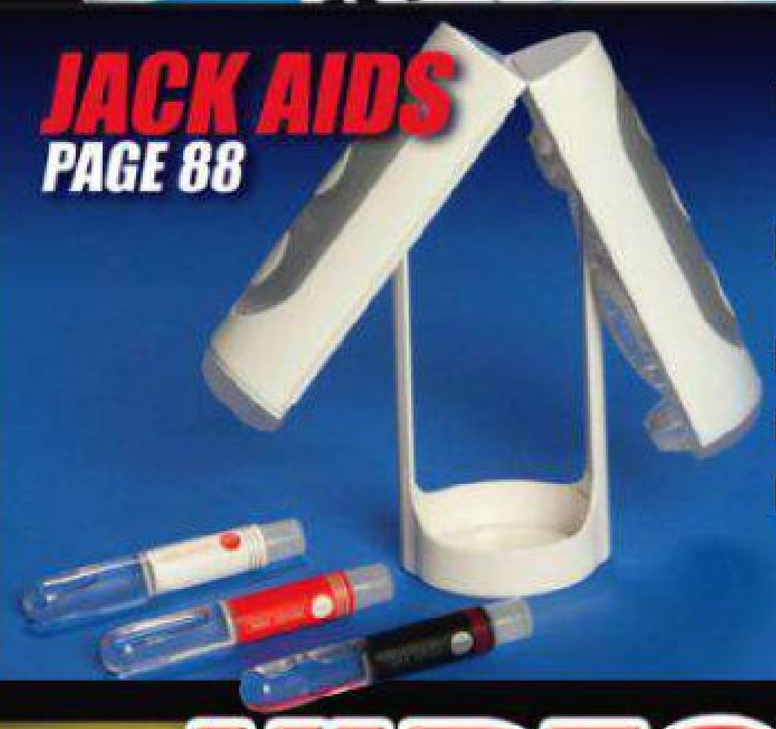

We're partial to girl-next-door types ourselves. Katie does look sweet and nice, but she is quite the undercover nympho! You can see her fuck in Naughty Neighbors 1, *available for order on page 9.* 18

Don't let Katie's innocent looks fool you. She's very horny!

So you like hard sex, but is it possible to fuck you too hard, Nicole? You *are* a petite girl...

"I'm small, but I'm a trooper! But it is possible to fuck me too hard, it just takes a lot to get there. Although sometimes I do get carried away 'cause I'll keep telling a guy to fuck me harder and harder. And he listens to me and really fucks me hard. It feels good at the time, but then the next day I'm so sore! I'll be walking bow-legged. It's not a very attractive look so I have to be careful about that! But normally I like it hard. I like it to be wake-up-the-neighbors loud, and just-got-a-good-workout sweaty. I've made a hole in my wall from the headboard beating against it while I was fucking. That's how I like it!"

Have you ever acted out any of these fantasies?

"One time I went for a run and I had my boyfriend circle around the block wearing all black. He pretended–emphasis on *pretended*–to kidnap me and brought me back to his house where we had sex. He ate my pussy like a maniac, and then he flipped me over while I was handcuffed to the bed and pounded me. It was so great! I love role-playing like that."

"Yes, I masturbate on the nights I'm lonely. I use my purple vibrator, and I usually do it in the shower. That way I have privacy and it's easy to clean up. I enjoy using it on my clit and working my way into my pussy the hornier and wetter I get."

Naughty or Nice?

The Eternal Question

Asking a man whether he wants a sweet, innocent girl or a down-and-dirty one is like asking which side of the black-and-white cookie is your favorite. You'll hear one answer or the other, but in the end does it really matter? A tight, hot teen cookie is sweet no matter what.

By Pauline Worth

Good evening, gentlemen (and adventurous ladies) and welcome to our feature throw-down of the night. In this corner, wearing sensible Mary Janes paired with the plaid-skirted uniform she donned for three years at St. Dominic's High School before graduating in 2009, is 19-year-old Giovanna. Well aware that her body (5'6", luscious curves and silky brunette tresses that fall nearly to her waist) is built for sin, Giovanna has spent a lot of time fighting off advances, as well as her own impulses. She reluctantly admits, the blush seeping immediately into her cheeks as she says it, that she's a "very sexual girl."

We begged Giovanna to wear a sexy angel costume–complete with silver mini dress, a halo, wings and white thigh-high vinyl boots–but she giggled and adamantly refused.

In this corner, wearing a revealing devil costume is 20-year-old Stacy. She is just five feet tall and tiny everywhere, from her itty-bitty rear to her perky A-cups. She says she loves having small breasts, "because I hate wearing bras and enjoy flashing cute guys when I'm driving past them on the freeway!" This vivacious blonde hails from a close-in suburb of Los Angeles and grew up on the beach. She loves surfing and sucking cock in equal measure and discovered the joys of anal soon after her 18th birthday.

Both Giovanna and Stacy are undeniably delectable. And in a perfect world you could sample them both (perhaps at the same time). But what if you could only have one? Which girl would you prefer? Giovanna: The shy, dusky road less traveled? Or Stacy: A Brazilian-waxed party in edible panties?

18eighteen readers are a discriminating bunch with their own unique predilections. None of them would deny the irresistibility of any one of our candy-sweet pinup girls, but they still have favorites. The "Good Girl vs. Bad Girl" debate is the oldest in the book, of course, with fans on either side of the fence enthusiastically arguing the merits of their preferred team.

Team Experience

"Slut, please!" says Marshall, who admits he likes "looking at the young girls from the back." He's only joking, he says, after I question his choice of words. "I meant to say 'Stacy!' And I am absolutely, 100 percent respectful of a hot, spunky girl," the 30-year-old confirms. "Especially one who lets me fuck her in the ass!"

Marshall does not deny the appeal of the virginal girl. "Are you kidding? I'd die to fuck a hot teen virgin," he says enthusiastically. "The bottom line is that I like dirty sex, and I don't want to have to wait eons for it. Teenagers are hormonal and horny! The ones who embrace that right off the bat and are ready to be adventurous are the ones for me. I like a girl who gets up on the table and dances and gets wild. Virginal is sexy, but enthusiasm is a lot more user-friendly. I don't need to blaze the trail. I just want to hike it!"

Marshall says the hot-to-trot teen experience is best when you get two close friends who want to party together. Case in point: The pair he met last spring in Alabama. "I go to the Panhandle or Gulf Coast every year when the colleges are on break," he says. "Usually

with a wingman. On this one night he went out with a girl he met on the beach that day so I drove to this crazy bar I'd heard about in Gulf Shores.

"I sat down, got a beer, listened to the band and just watched all the talent. Eventually, these two pretty seniors from Texas State rolled up. They couldn't get the bartender's attention, so I shouted one down and bought them each a fancy margarita in a big, plastic souvenir glass," he laughs. "The young ones are used to dating college dicks with no money, and when two cute brunette cheerleaders are looking for a chump to buy them drinks–I'm happy to get on the train!"

The young, fast ones, says Marshall, like the same thing any girl likes for the most part–they want you to tell them they're sexy and hot. "And a lot of them dig guys who are a little older because they treat 'em nicer and they know what they're doing in the sack."

Missy and Corinne–Marshall's Spring Break 2010 acquisitions–wanted to party back at his room. They wondered if he had a friend. "I told them the truth–that I did, but he was out and I wasn't sure if he would be back that night, but they were welcome to come on back and if he didn't show, I'd work hard and do double-duty! I think they appreciated my enthusiasm and eagerness to please."

Once back at the hotel, the pair returned said enthusiasm in kind, dancing for Marshall up on the desk, stripping on the bed, giving him a pillow-fight show that culminated in a long, drawn-out girl-girl make out session. "I told them how sexy they were, how hard they were getting me, and they told me to take it out and stroke it! You won't get a virgin to treat you to a night like that!"

Slowly they peeled off one another's clothes and got into a hot 69 position. Marshall sat in a chair at the foot of the bed; Missy gazed up at him, her face hovering over Corrine's sugary, bald slit. "You like this?" she said, spreading her friend's lips open and treating him to a peek at her swollen, purplish insides. "Come taste it with me."

Together, Missy and Marshall made out on top of Corinne's sopping-wet snatch...

Together, Missy and Marshall made out on top of Corinne's sopping-wet snatch, coaxing her to cum in what Marshall guesses was less than three minutes. "Her asscrack is so wet," Missy purred. "Almost as wet as my pussy." She stood before him, dark triangle at mouth level, and told him to eat her hard.

"Like I was gonna say no to that," he laughs. "I swear she had the sweetest peach I'd ever tasted, but she didn't let me make her cum. She made me stop and got on all fours. Corinne came around and took my cock in her hands, guiding it into her friend's box, and let me watch while she rimmed her. Missy rubbed her button hard. I could see her going at it in the mirror on the closet door. Totally hot. Her pussy squeezed me like a vise when she came, and I was just about to ice her back door with my cum when Corinne made me stop.

Missy collapsed on the bed for a minute, then looked up at him. "'I want to watch you fuck Corinne in the ass,' she told me, giggling like she'd just asked me to get her a pony or something. It was ridiculous! But you know, this is exactly why I like 'em a little wild!

"Corinne got on her back, legs up high in the air, and Missy rimmed her good. My dick was getting even harder watching her pink tongue darting in and around that tight, little bunghole. I couldn't imagine how good it was gonna feel until a minute later when I was pressing that pucker open with the head of my cock, listening to her moan while she bit the pillow, watching Missy licking her clit which was standing out like a hard sucking candy between those smooth, silky lips. I felt my cock about to blow, and watching Missy sucking on that button, watching Corinne's face clenched with sexy concentration, and watching the whole fucking thing in the mirror alongside us–I totally lost it. I could see the cum bubbling out from around my dick while it was pumping into her dumper!"

Marshall still wonders if he'll ever get lucky enough for a threesome again. "I'm a lapsed church-goer," he chuckles. "But that night was something worth praying for, no doubt!"

Team Virgin

"I like them pure as fresh snow," jokes Robert, 39, whose previous experience with cherry-popping hooked him on the most innocent of young ladies. "There is nothing like being a girl's first. Nothing. Give me Giovanna," he chuckles. "She's got that new-car smell on her!"

Although Robert did take his high school

sweetheart's virginity back in the 80s, he admits he was too young to appreciate it. "I was barely out of the virgin mode myself! I couldn't appreciate the gift she was giving me. When I was lucky enough to have the chance again, I didn't blow it."

In fact, he savored every single step along the road to Cherry Town.

"Her name was Meghan," he says, and his eyes get a little glossy. "The first time I saw her was at the drive-through window of my local coffee shop." She was one week away from turning 18 at the time,

and was just about to graduate from high school. "There was an innocence about her, of course, but just the way her eyes looked at me I could see there was something in there that wanted to be a little bad, you know?"

Months later, summer came; Robert finally got the nerve to ask her out. "I took her to the beach for the afternoon and we chilled out, ate watermelon and played in the water. I got to watch her body running around in the sun, getting wet in the waves. I watched her nipples get hard underneath the small, pink triangles of her string bikini. I dreamed about what color they might be. But despite my huge, aching hard-on I played it cool for awhile."

Kissing her in the car after their dates, he says, was exquisite torture. "You can feel how a good girl wants to be bad when she kisses you," he explains. "And when she finally lets you slide your hand between her legs and you cup that sweet, little mound in your hand, and you feel how wet her panties are…fuck!" Robert is overcome for a moment.

"Anyway, it's too sweet, too fucking hot to comprehend. You know how worth the wait that sweet virgin pussy is going to be when you slide your cock into it." The pair dated all summer; Robert was progressing 'round the theoretical bases like a high school boy. "Finger-banging her for the first time was an absolute highlight," he chirps, "after sliding it in and out of her box in the car for a little while, she watched me bring it to my lips and taste it, and I could hear her gasp. Very sexy. She was sort of shocked and turned on at the same time. Then, when I slid it back inside, she whispered–so shyly–that she wanted to taste it, too. Watching her suck her own sweet cream off my finger, I swear I almost shot a load in my pants."

August was winding down. Meghan was set to leave for college out of state the following week. And Robert wasn't really sure whether she was going to give up the goods for him after all. "I really liked her, of course, but it was just a summer fling. During my more selfish going-home-to-whack-off moments, I was annoyed at myself for not being a little more assertive with her. But in the end, the strategy totally paid off."

On their last night together, Meghan borrowed Robert's keys and spent the afternoon at his apartment. When Robert came home, the scene had been set for seduction. "It was unreal!" he says. "She'd cued up all the sexy music on her iPod into one long playlist, cooked dinner and baked a pie for dessert!"

"You know how worth the wait that sweet virgin pussy is going to be when you slide your cock into it."

But best of all, she greeted him at the door wearing nothing but a long, tight white-lace chemise and a pair of high-heeled sandals.

"My cock sprang to attention the second I saw her. She was dressed like a high-class call girl–gorgeous blonde hair and make-up flawless–except that she was shy. You could tell that she wanted so badly to be sexy but still hadn't come into a comfortable place with it. It was as big a turn-on as how she looked. She was pure innocence on the inside just aching to be nasty."

Robert took her in his arms at the door and carried her to the plush sofa. Candles flickered nearby on the coffee table. He eased her back, taking in the sight of the sparse blonde puff between her quivery, nerve-wracked thighs. He kneeled before her, placing a hand on either knee.

"I could feel her shaking. It was delicious. I asked her if it was okay if I tasted her. I told her that I'd been

wanting to since we started dating. I could tell she wanted it very badly but was self-conscious.

"I eased her knees apart and looked at her pussy. I told her it was so beautiful. I wasn't lying! It was the most beautiful thing I'd ever seen! And she could see that I meant it. She relaxed and let me spread her open and look at all that juicy-wet pink in there before I bent to give it a kiss. The moment my lips touched her, the second my tongue eased out and licked her clit for the first time, her honey just creamed right out of her hole all over me. I lapped it up like the candy it was. All the while I knew that I was some place no other man had ever been before. Knowing how clean and perfect and fresh it was turned me on immensely. It smelled perfect. It tasted perfect. And when her hands sunk into my hair because I made her cum that way for the very first time I wasn't sure I was going to be able to handle waiting anymore!"

Luckily, he didn't have to. The orgasm had turned Meghan feral. She sat, slightly slumped, on the sofa, her skin-tight stretch-lace dress up to her waist, her small, blonde bush dark with wetness, her thighs slightly splayed and slick. She looked up at Robert with heavy-lidded, dead-sexy eyes.

"And she told me to fuck her. Just like that. 'Rob, honey. Please. Fuck me. I want you.' I just stood there for a second with my dick straining the zipper like, 'Man! What the fuck are you waiting for?'" he says with a laugh. "But I was so surprised; it took a few seconds for it to register!

"The kid in me nearly threw myself on top of her, but I really did want to make it special for her. This was a gift she was giving me. I wasn't going to blow the whole thing like I did in high school!"

He carried her into the bedroom, kissing her along the way, telling her how amazing her sweet pussy tasted, asking her if she liked the way it tasted on him when they kissed. "All the talk made her so hot and horny she was actually whimpering for it," he says, still incredulous. "She started talking sort of nasty back to me, hesitating a little, shy, but getting into it! Telling me she wanted to taste my cum and suck it out of me. It was crazy. She was–I don't know how else to say it! She was an innocent slut!"

Meghan hopped out of Robert's arms and onto his bed with abandon. She'd set up candles in there, too, and her eyes and lips looked possessed by lust in the flickering light. Kneeling on the bed before him, she put on a faux-sexy face and began to undo his belt, looking him in the eyes the entire time, even as her petite hand wrapped around the length of his rock-hard prick. She brought it to her lips slowly, teasing him.

"There's nothing sexier," he says. "It's an image that will be burned into my memory 'til the day I die, watching the swollen head of my dick sliding between her lips, the burning-hot wetness of her tongue against the underside of my shaft. I can't even tell you what sort of crazy things I had to think about to keep from choking her with sperm the second she took the whole thing into her throat!"

All of the oral was a first. He wanted to give her the full experience, and they were covering the back half of third base before slamming the whole thing home.

"She sucked me so carefully, really tasting me," he remembers. "It was like she was savoring the first time as much as I was, but at the same time, she was lapping up my pre-cum like a hungry little thing, and teasing me, being silly, slurping on my cock and smiling and giggling at the noises she was making."

"She was lapping up my pre-cum like a hungry, litte thing, and teasing me, being silly..."

Robert eased her back into a sideways 69-position. "I wanted to get my tongue back between those candy lips and try and get her to cum with me, but after a few minutes with it wiggling around in there, with my lips latched onto her hard little clit, she was moaning and once again begging for me to fuck her."

The moment had arrived.

"It had to be missionary," Robert remembers. "I was adamant. I wanted to see her face when my cock slid home and was buried to the hilt."

The pair undressed quietly. "Believe it or not,

Three months. Since being hired at the firm, Darcy had done everything but walk into her boss's office with a bullseye painted on her panties and a sign around her neck reading: FUCK ME. Now, things were looking dicey, and she had no idea if she'd even have a job much longer. With her evaluation only a few days away, it was all she could do to keep her mind on her work and not her pussy. Still, she thought, it couldn't hurt for her to excel at her…

BLOWJOB *Performance*

BY JOE MONKS
ILLUSTRATIONS BY OTIS SWEAT

"Darcy, do me a favor and bring me the Gleason file. The builders look like they're going to run over and I want to ram the contract down their throats."

"Sure thing, Mr. Beck. I'll bring it right in."

Darcy watched her boss walk away, a lump in her throat. It got her hot when he was like this–taking charge, giving orders. Jack Beck wasn't one of the richest developers in town simply because of his good looks. Then again, thought Darcy as she went to retrieve the Gleason file, the good looks sure didn't hurt.

Melinda, the office manager, looked on sourly as Darcy bent over the file cabinet, her skirt riding so high up her thigh that a cool breeze would've made her pussy hairs stand on end. She couldn't be sure Mr. Beck was still hanging around, as he often did after sending her to the document cabinets, but if he was, he was sure getting an eyeful. Ass up, tight skirt barely covering her buns, perhaps even a hint of white panty visible. Darcy knew that Beck had noticed her, and she'd caught him glancing her way

StoredMags.com

more than once. Still, no matter how many reasons she found to be in his office or linger after doing an errand, he'd yet to make a move on her.

And, it was driving her crazy. She'd been here three whole months. Her first job review was coming up, and it seemed nothing she tried short of walking around naked was going to get him into her panties. Panties which, at the moment, she desperately needed to change out of. The current pair was absolutely drenched, and her pussy was still sopping wet from an hour earlier, when she'd been standing outside Beck's office, listening to him rake somebody over the coals on his business line. She'd stood there, so turned on that her panties had no chance. By the time he slammed the phone down, she was on the verge of what would've been an embarrassing orgasm.

The Gleason file marked the third set of documents, contracts and various paperwork she'd been directed to bring him, and with each subsequent visit to his office, she'd gotten more and more excited. Each time she returned to her stiff, leather office chair, her undies had bunched up, the damp fabric rubbing against her clitty. If she were summoned again, just walking to the file cabinets was going to get her off!

Darcy gathered up the stack of Gleason files and carried the heavy documents, schoolgirl style, held against her flat chest. Melinda looked on, her face pinched like a fish. Darcy knew the older woman hated her, but didn't care. She knew why. Melinda was old and crabby and dumpy. None of the partners ever gave her a second look. Darcy, on the other hand, and the receptionist, Sue, were both young and cute and the guys were always hitting on them.

Darcy, though, wanted Beck. He was the top dog, and that made her drool just as much as his looks or the way his tailored suit pants showed off his package. If only he'd give her the time of day…

"Thanks, Darcy, appreciate it."

Darcy was so lost in her fantasy that she'd simply strolled into her boss' office, unannounced. Flustered, she put the stack of folders on his desk, backing away, red-faced.

"Darcy?"

She froze. Could he really smell her pussy? Was girl cream dripping down the inside of her bare thigh? Did he see a wet spot on her skirt, right over her crotch? After a panicky moment, she managed to answer.

"Three months next week, isn't it?" Beck asked, thumbing his calendar.

"Oh, yes, it will be."

"Good. Have Melinda schedule your review for Friday afternoon, all right? Four thirty."

Darcy's heart skipped a beat. Friday? The only people who got reviewed on Fridays got fired!

"F-Friday, you said?"

"Yes, that's okay with you, isn't it?"

"Oh, sure, of course." she stammered, heart hammering in her chest.

"Good. That's all I need for now," he said, dismissing her.

Darcy walked woodenly to the file office, told Melinda about scheduling her review, and slipped away before the urge to knock the knowing smirk off the old battle axe's face overwhelmed her. She hurried into the bathroom, locked herself in a stall, and perched on the lid of the toilet. Her knotted panties pressed insistently against her labia.

Was it really true? Would next Friday be her last day? She was falling into a funk when she heard voices out in the hallway.

"Damnit, Phil," Beck said to his head attorney. "We need to stick it to those bastards on the Zimmerman closing. Really, what's the delay?"

Darcy felt butterflies take flight in her tummy. She loved when Beck got heated, and even now, knowing she was on borrowed time, it sent a flood of juice gushing into her canal. Her toes curled in her pumps, and she pressed her thighs together, the cotton grinding against her mound.

Could she? She held back, but only for a second. What was the big deal? If she was already getting fired, why not enjoy the time she had left?

She shifted her butt, tugged down her nasty bloomers, and rolled her skirt up, exposing her neatly trimmed bush. She kicked off her shoes, spread her legs, and pressed her soles into the front wall of the stall.

"I'm serious, Phil, I really want to see those guys go down!" Beck barked. Darcy shut her eyes.

"I wanna see you go down," she whispered, pulling her glistening folds apart and inserting the tip of her middle finger into her fuckhole. "Go on, get down and tongue-fuck me, Jack. Eat me raw, baby."

Moisture seeping out of her snatch, Darcy worked her finger all the way into her twat. Thumbing her swollen clit, she rocked back and forth, her bare tootsies squeaking against the partition too low for anyone else to hear. With her boss and the firm's chief attorney less than five yards away, Darcy masturbated frantically.

"Give it to me," she hissed, adding her index finger to the mix. "Eat it. Fucking lick my slit. Lick it 'til I cream in your mouth!"

Darcy shoved her fingers into her pussy, the wet, sloppy sounds getting louder the closer she got to climax.

"Uh-huh. Make me cum…That's it. Get me off and then take that big cock of yours and screw my brains out. Fuck me hard, baby, fuck me and then blow your hot jizz all over my–"

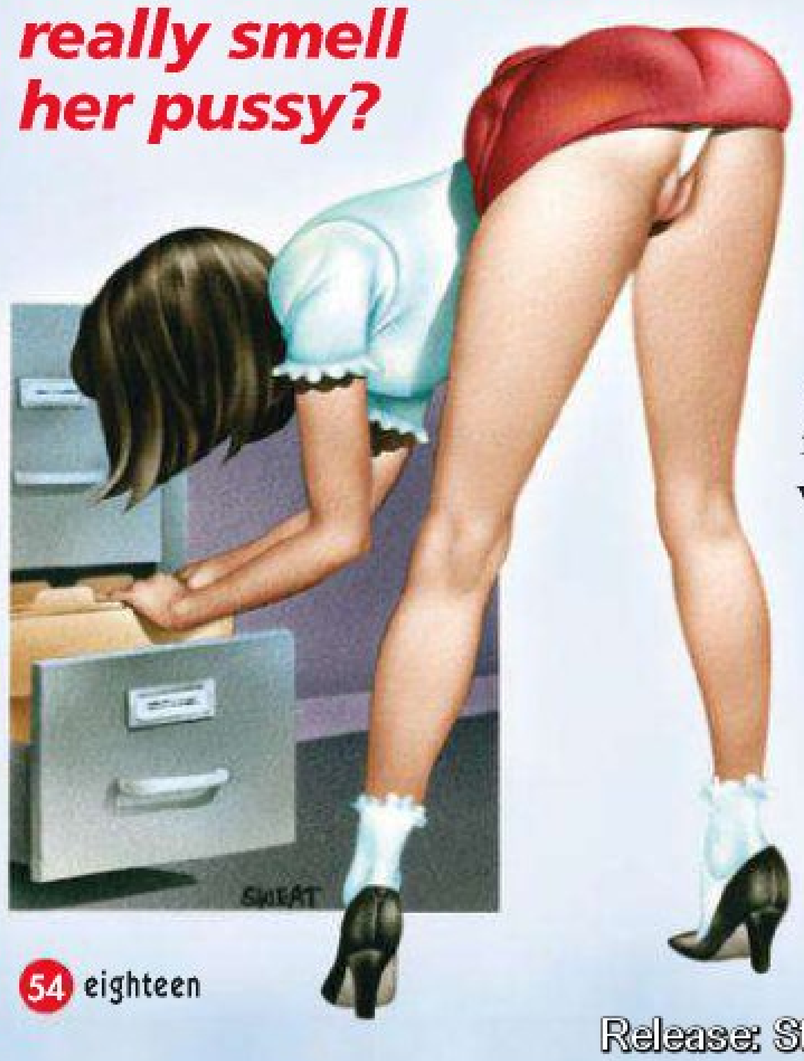

The bathroom door opened. Darcy turned to stone, two fingers buried in her twat, right on the brink of orgasm.

The toilets were solid, privacy stalls, so she knew that nobody could see in or underneath the door. Still, as she heard somebody fussing around by the sink, she held her breath. She could no longer hear Jack outside, or the attorney. They must have finished their discussion and moved on while she was diddling herself. How long had she been going at it?

Her legs ached from the tension, but she didn't dare move. Still, her pussy muscles had already begun to quiver. Without thinking about it, she

ANNABELLE

Fresh 'n' Fuckable

Welcome back, Annabelle. What've you been up to since we saw you in Jan. '10?

"I've been working hard and playing hard. And fucking hard, too! I got a job selling ad space for a newspaper and I've been doing really well. When I'm not working, I'm usually hanging out with friends and going out to the movies, parties and restaurants. And I make sure to squeeze sex into my busy schedule. Life wouldn't be complete without it."

Who are you having sex with?

"People that I date. Sometimes it's a casual thing that only happens a couple of times. Sometimes it's more serious."

We noticed that you said "people" you date, and not specifically guys. Do you like girls?

"Yes, big time! I'm bi with pride. I tend to be fuck-buddies a lot with guys. And with girls I usually end up in more serious types of relationships."

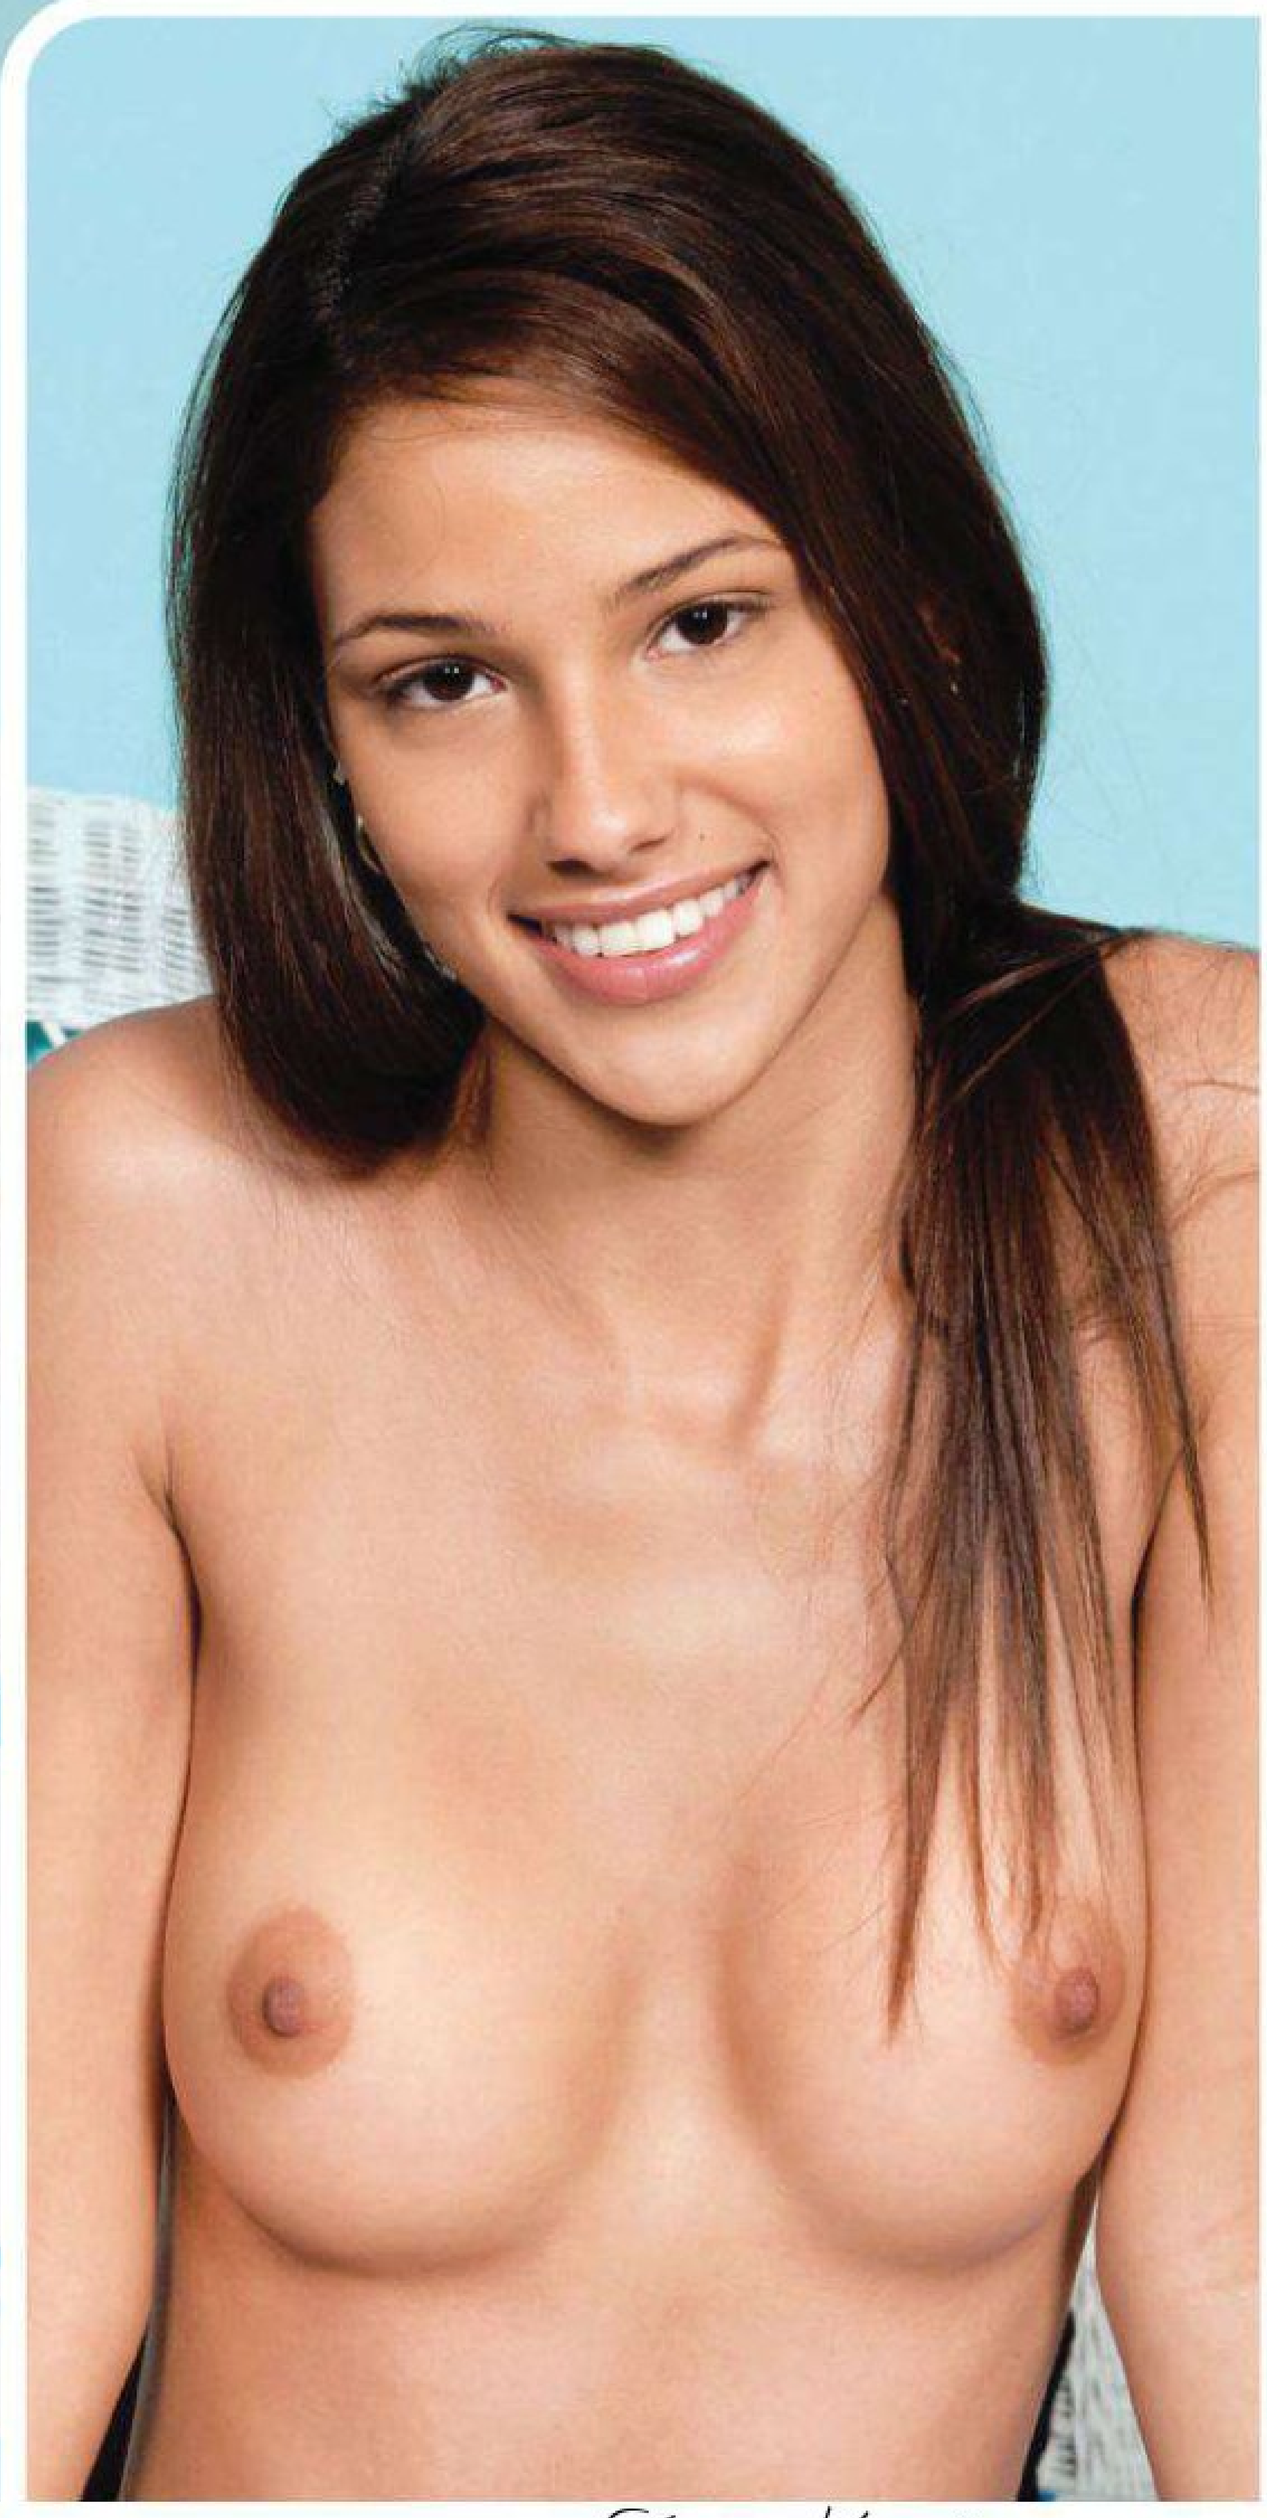

StoreMags.com

Would you ever give up guys or girls completely?

"I don't think so. If I'm only with a guy for a while, I'll really start missing girls. And if I'm only with a girl for a while, I'll really start to miss dick. I love how soft and sexy women are. But I also love being fucked hard by a sweaty guy and feeling his cum spray me. I don't want to give up either!"

To me, those parts should always be hair-free so you can feel a guy's hot tongue running all over your naughty bits."

"The guys who have seen it think it's cute. I think most guys don't mind a little bit of hair as long as it's not growing crazy all over the place. Then again, there are guys who like that, too. I had one guy who asked me to grow out my entire bush. I did it for a while, but I really prefer to be shaved. I figure what I have now is a happy medium. You'd be surprised how much more sensitive your pussy is when it's shaved. And honestly, I like the shaved look way better. With lots of pubes, you can't see the pussy that much. BLOW JOB PERFORMANCE

Continued from page 54

stroked her button. God, she was close…so close…

"There, that's better," came the voice from the other side of the wall. Melinda! If Melinda caught her here, fingering herself…

Darcy was right there. She bit her bottom lip, trying to hold on, just for a few seconds longer. Her clit throbbed, and droplets of love lube were still oozing out of her furpatch.

"Please," she prayed silently. "Just a little…more…time…"

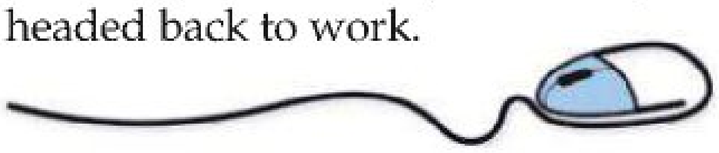

The door opened, then swung shut with a soft whoosh. The sound of Melinda's footsteps began to recede.

Without waiting, Darcy rammed her fingers in and out of her cunt, roughly frigging her sweet spot with her other hand. Within seconds, the first wave of a multiple-climax racked her, nearly causing her to slide off the toilet. Grunting like a wounded animal, she kept at it, violently finger-fucking herself, reaching a second cum, and then a third. She was wild now, her shoulder-length brown hair mussed, her sweaty ass sliding back and forth on the toilet lid, the stall fragrant with the musky aroma of her gushing nookie.

She was a mess when she came out of the stall. Blouse rumpled and unbuttoned to the waist, her still-hard nips standing at attention. It took her a long time at the sink to wash the scent off her hands. She deposited her soiled undies into a ziploc bag she carried just for this purpose. Since her first week at the firm, she'd been going through two pairs of panties a day. Freshened up, she slipped into a pair of pink undies that she hoped would last until the end of the day.

Presentable again, Darcy applied some lip gloss, looked at herself in the mirror and smiled.

"There, that's better," she said, and headed back to work.

Friday morning was on Darcy almost before she knew it. Standing in front of her bedroom mirror, she considered her choices. All week, she'd gone conservative. Knee-length skirts. A pantsuit. Yesterday, she'd worn jeans and a sweater. Mr. Beck hadn't noticed at all. Darcy looked at the clothes she'd laid out on the bed.

"Heck with it," she spat, and wriggled into a micro-miniskirt that clung to her like a second skin. She stepped into low heels, discarded the training bra she wore just to give her work clothes some shape, and pulled on a form-fitting top.

"May as well become unemployed in style," she said to the mirror, snatching up her purse and heading for the door.

Despite Melinda glowering at her all day over her skimpy outfit, Darcy felt good. Four fifteen rolled around, and she disappeared into the bathroom for a bit of last minute touch-up. Some cherry lip gloss, a little tease of her hair, and then, almost as an afterthought, the removal of her panties.

"That'll show him what he's gonna be missing," she congratulated herself, before walking down the hall to Beck's office.

"Hi, Darcy," he said when she came in. "Close the door, have a seat."

Good, Darcy thought. It'd give her a chance to flash a little pink before getting pink-slipped. But instead of Beck getting a peek at her beaver, he opened up her personnel folder, and looked it over. After running down some of the qualities that had led him to hire her, he got up and stepped to the side of the desk.

"Darcy," he began, "when it comes to your job performance–"

She didn't give him the chance to finish. Darcy was out of her chair and on her knees, yanking Beck's belt open and ripping down his zipper. The move was so startling, he stumbled back, the desk holding him upright. Darcy's glossy lips encircled the head of his cock, and she slurped away at his manhood, whatever he was about to say forgotten as he stared down at her.

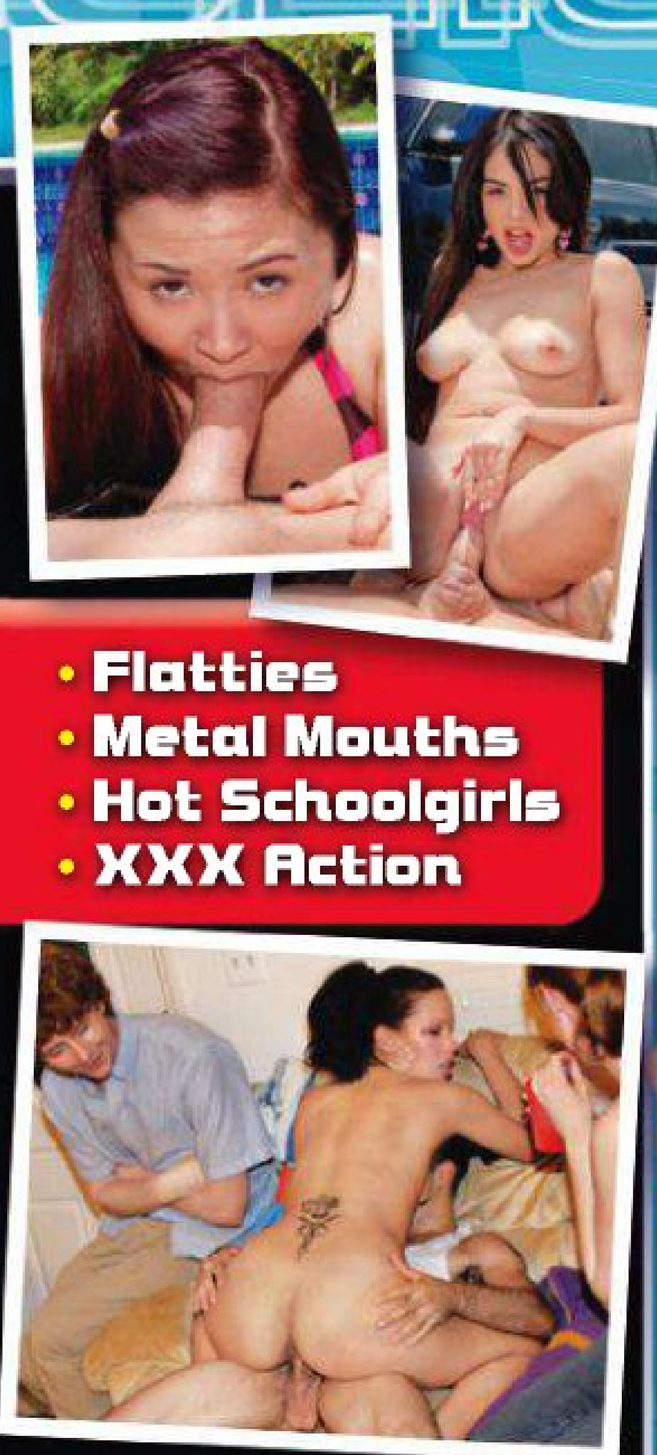

He grew hard in her mouth, bulging thick against the inside of her cheek. His engorged prick became so fat that it forced her to open as wide as she could to accommodate his girth. Fully erect, Beck's dick stretched her lips and filled her mouth and throat to the point she was nearly choking on cock.

Darcy fondled his ball sac, head bobbing, gazing up at him with her big doe eyes. Despite being caught off-guard, he recovered quickly.

"We'll start with you sucking my cock, then," he said, smiling. He grabbed a handful of her hair, taking charge, just the way she liked it. He guided her down his knob, working his shaft past her tonsils and deep down the back of her throat. She gagged, but kept hoovering his pole, spittle dribbling down her chin. When she had to come up for air, she jacked his shaft, his hardness like an aphrodisiac. Her pubes were dewy, her puffy folds swimming with sex juice.

"My job performance, you were saying?" Darcy teased, taking a deep breath before plunging his hard-on back into her mouth.

"I don't have a box for blow-job performance," he said. "But…maybe I should!"

Darcy short-stroked him, drooling onto his cockhead. A thick strand of saliva stretched from her lower lip to his tip, greasy with pre-cum.

"I've got a box you can fill," she told him, lifting up the front of her miniskirt and flashing him a look at her fuzzy tuft.

"Oh, we'll get to that," Beck promised, placing his hands atop her head and filling her mouth with dick. He fucked her face, while Darcy pinched her clit and dripped onto the carpet.

Beck didn't seem any closer to cumming when he withdrew his meat from her mouth and pulled her to her feet. He'd unbuttoned his shirt, and was now stripping it off. Bare-chested now, he patted the desk. Darcy obliged, placing her ass on the spot.

"Is this in the way?" she asked, lifting up her skirt again. Beck grinned back at her, shaking his head.

"Not at all," he said, kissing her hard while inserting a finger into her vagina. Darcy gasped as he reached into her, curling his dexterous digit up and finding her G-spot. In seconds, he had her bouncing on the edge of the desk, her arms clasped around his neck, bucking against his hand.

"Oh god!" she cried, forgetting where they were. "I'm gonna cum!"

"What? From this?" Beck asked, holding up his sticky finger. Darcy was gulping for air, so close to orgasm it hurt.

"Please!" she begged. "Don't stop!"

"Oh, I'm afraid not," Beck said, shaking his head. "Not this way. Not like some high school kids!" Darcy fought the urge to remind him that she was just out of high school. Beck went on. "No, that wouldn't be right. What you need to cum from is a real…good…fucking!"

With that, he was in her. Balls-deep and bottoming out against the back wall of her cunt. Darcy shrieked with the pressure it put on her bladder, wrapping her legs around him and holding on for fear she'd fall back and roll off the desk.

Beck chuckled, sucked her wetness off his middle finger, and began to pound her, thrusting into her love tunnel and banging her like a weightless fuck doll. She could hear the sloppy sounds of his dick stabbing into her snatch, feminine oil oozing onto the desk and dripping off his balls.

Darcy came convulsively. The heavy oak desk rattled beneath her as her pussy spasmed and contracted around Beck's massive cock. Dizzy, she pressed her forehead to his chest.

"Haven't had enough already, have you?" he asked, a skeptical look on his face. Darcy, who felt like her insides were being whipped by a blender, shook her head.

"Good. Why don't we try this?"

He pulled out, and the sudden emptiness made Darcy moan. Beck ignored the sound, turning his teenage gal Friday over and spreading her ass cheeks.

"You like it doggie-style, huh?"

"Mmmmm," she confirmed, waiting for him to enter her again. She wanted it, needed his cock back inside her. Darcy pushed herself up onto her toes, presenting herself to him for the taking. Beck appreciated the gesture, and rewarded her by driving his length into her, his nuts slapping against her velvety outer walls.

Beck's weight pressed down on her as he ravaged her from behind, her excruciatingly hard nipples rubbing against the varnished desktop.

"That's so fucking good," Darcy groaned, gnashing her teeth. "Your fucking cock is driving me crazy!"

"You've got one hell of a pussy," Beck remarked, swatting her ass. Darcy felt a shock go through her. She wouldn't mind a spanking–if it meant being bent over Beck's knee.

"Yeah? You like my pussy?" Darcy asked, looking back at him with her sexiest pout. "Enough to keep fucking it until I cum again?"

Finding Her G-spot

What's up with that book you're looking at, Isabella?

"It's a sex book! It has all kinds of dirty pictures in it. Like, really close-up and detailed pictures of vaginas and penises. I wasn't sure I knew where mine was, so my boyfriend offered to help me find it…with his big ol' dick, of course!"

BLOW JOB PERFORMANCE

Continued from page 70

"Oh, no doubt about it," Beck nodded, increasing his pace. "Maybe when I'm done fucking it, you'd like me to eat it, huh? Would you like that? To have me go down on you and make you cum with my mouth?"

Darcy grunted her response, her snatch sounding the alarm bells of another impending climax.

Beck must have sensed it, or felt her twat contracting around his dick as he plowed her from behind. Without warning, he pulled out, hoisted her up onto the desktop, and climbed onto her. He barely missed a beat, his man-missile finding her hole and burrowing into it.

"Don't stop!" Darcy howled. "Don't stop until I cum again!"

Darcy wailed, not caring if the entire floor heard the commotion. Beck continued drilling into her, his cock turning her inside out. Folders went flying. The office phone tumbled to the floor.

"What do you say, Darcy?" Beck asked, breathing hard. "You ready?"

"Yes! I'm ready! Cum for me!"

"How about," Beck suggested, pushing himself up. "If I blow my load…all over your face?"

Darcy looked down as he came out of her cunt, the purple tip of his cock spewing jizz like a fire hose. A rope of ball cream streamed into her open mouth. Salty nut butter sprayed across her cheeks, and she gobbled down what she could before Beck's mansnake pumped out another spurt, coating her flat chest with semen.

Darcy reached down, pulling Beck's still spurting babymaker against her, jacking his load onto her belly. She beat him off, spooge burbling out of his prick.

"There's so much!" Darcy exclaimed, her hand covered in jizz.

"Almost...done," Beck huffed, and with her hand wrapped around him, he thrust forward once more, a final jet of love lava spattering her breasts.

Beck used the tail of his dress shirt to wipe off his still-considerable cock, then entered Darcy again, slowly, pressing his body against hers. He didn't continue to fuck her, but instead just held his cock inside her,

BLOW JOB PERFORMANCE

Continued from page 80

Darcy's pussy sending little tremors of pleasure through both of them.

When they'd cooled off, Beck climbed off the desk, leaving his shirt behind so Darcy could mop the jizz off her. He returned from his private wash room with a wet towel, using it to erase the last traces of his wad.

"Seems I've kept you well past quitting time," he said, pulling his slacks back on. Darcy looked at him.

"Like it matters," she said, shakily pulling her miniskirt back into place.

"What do you mean?" Beck asked, taking a polo shirt out of his closet.

"Today's my last day, remember. You're firing me."

"Firing you? What the heck?"

"It's Friday. Everyone knows you only review people on Friday when you're going to let them go," Darcy said, preparing to put her shirt back on. Her nipples were still hard. The fabric brushing over them sent a fresh wave of heat coursing through her.

"Melinda's been spreading that rumor for years," Beck said laughing. "She tells all the new staff that."

"You mean...I'm not fired, then?"

"No, of course not. In fact, I was planning on giving you a raise. Now I'm rethinking that."

"Oh?" Darcy asked, trying not to sound disappointed. Beck nodded.

"Yeah. Here's what you were going to be getting," he said, showing her her evaluation form. Darcy's heart sank. She could use a raise. Beck sat down behind the desk and took out another form, filling it out quickly. Darcy waited. When he was satisfied, he handed it across the desk.

"How's that?"

Darcy gasped. Beck had taken her raise amount, and doubled it.

"Seriously?" she asked.

"Of course," he answered, looking concerned. Darcy stood up, then stripped her shirt back off.

"I think that kind of raise calls for a celebration!" she announced, and slid across the desk, into his lap.

"I'd say you, Darcy, are going places," Beck announced, while yanking her miniskirt to the floor.

She might be going places, Darcy thought, but for the moment, she was happy right where she was. 18

NAUGHTY OR NICE?

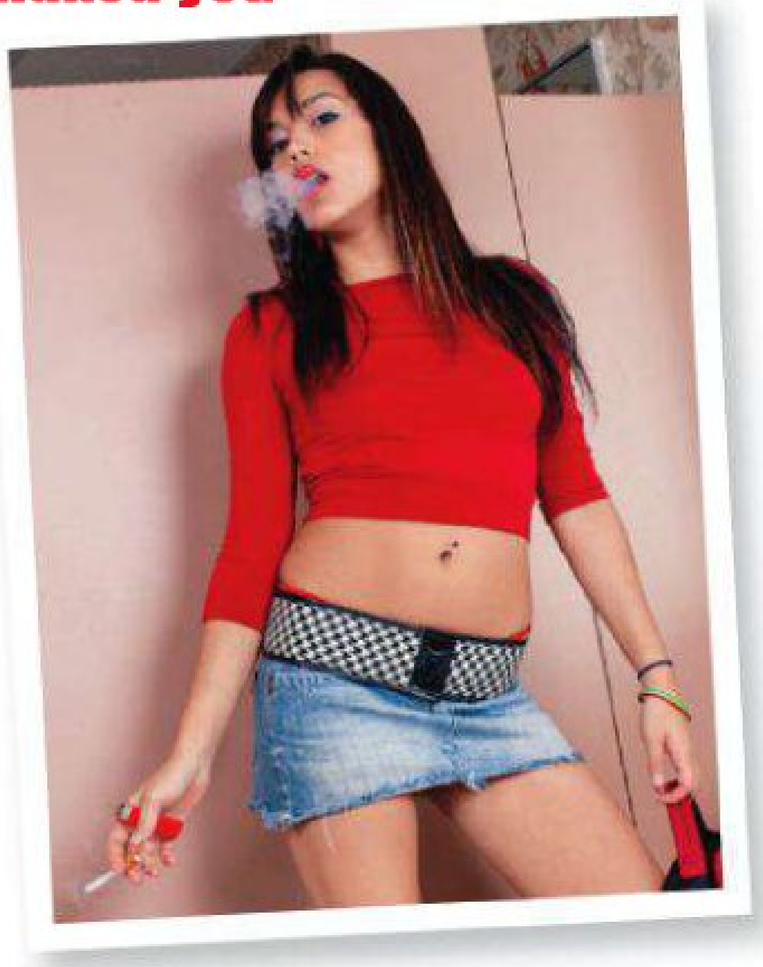

Continued from page 42

she still seemed a little shy!" he says. "She'd already cum on my face and sucked my dick, but I hadn't seen her naked yet, and I could tell she was a little self-conscious. Not that she needed to be. Her breasts were perfect, perky Bs with darkish nips, her tummy was soft and flat, her hips slim and perfect. There was barely a freckle on her. Even her belly button turned me on!

"I could feel her shaking when I got on top of her. I brushed her hair from her face and kissed her deeply and told her I would be gentle, and she looked so sweet and innocent when she nodded back to me. She was biting her lower lip, the tiny thing; she was so hot for it, but scared at the same time."

Robert positioned his thick cock at the soaking-wet entrance to her hole and began to push himself inside, marveling at the heat, the wetness and the insane tightness. "I couldn't believe someone could be so wet yet so narrow. It was exhilarating. I felt

like the first guy climbing Everest or something, and my cock felt like it was sinking into heaven, which I guess it was!

her head and felt her exhale on my face, and as she got more comfortable with me inside her, her legs parted, wrapping around my waist. Her hips began to move and buck a bit. And before long, she grunted that she wanted to be on top!"

They rolled and Robert watched, amazed as his tiny, little angel morphed into a fuck-bunny right before his eyes, easing herself on and off his considerable length like she was riding a mechanical bull. As he got closer, he reached down and fingered her little button, loving the way she seemed shocked when he did.

"It was funny–like, 'Oh! You mean you can do all these things at once?' She had a lot to learn and was loving every little thing that was new. And when I whispered, 'You're gonna make me cum, baby,' she rode me for a few more pumps, then hopped off and swallowed my pussy-soaked cock whole, drinking the fucking load out of me like I was a giant straw! I'd never had anyone do that to me before–let alone a virgin!"

Robert said goodbye to his summer girl the next morning. He'd like to see her when she comes home for break but doubts that he will. "I think she thought of me as her place to learn," he says, smiling. "I was honored to be that for her. Now I have to try and line up the next student! Give me the innocent ones every time. I like turning them a little nasty!"

Avid reader Marty, 47, is far less picky–the category that most men probably fall into. "I just like them young and beautiful," he laughs. "If they're innocent, I'm happy to put in the time. If they're ripe and ready for it–I'm all about giving them what they want, as much as they want, whenever they want. I'm an old dog. I'm lucky if a sweet, young thing wants me at all!"
